

## WHAT IS HOPS FOR HOPE?

It's the perfect opportunity to mix corporate social responsibility, employee engagement, and local beer! H4H pairs corporate teams with local breweries to create an original beer and raise money for a great cause. On September 14, 2019, teams and breweries will showcase their brews to more than 1,500 attendees at North Hills Midtown Park in an epic tasting event and beer competition. We'll have live music and food trucks to add to the fun.

All proceeds from the event directly benefit Children's Flight of Hope, a 501(c)(3) nonprofit that provides air transportation for children in need of specialized medical care. Last year's event brought together 25 teams and 25 breweries to raise more than \$95,000 for CFOH.

## HOW IT WORKS

Hops for Hope pairs each team with one of the area's best breweries to create a unique beer. Ten team members and the brewery collaborate on the concept and flavors, and you take care of the brewing. We anticipate 1,500-2,000 attendees this year, so breweries should plan to provide enough beer for the 4 oz. tasting glasses (unlimited) we'll provide to ticketed guests. You can customize an existing recipe or make something brand new!

The corporate team will fundraise for CFOH leading up to the event. Awards like Critics' Choice, Brewers' Choice, and People's Choice are up for grabs, along with Best Beer Name, Most Creative, & Best Team Spirit.

## BREWERY COMMITMENT

Participating breweries are expected to work with their assigned team to create the recipe, brew the beer, deliver it to the venue and set up on event day. Breweries should work with their teams to set up their brewery- or team-provided tent. We ask that breweries provide at least one representative to serve the product at the event. Breweries are not required to directly help fundraise or solicit donations on behalf of their assigned team.

Fill out the official brewery commitment form online at [www.trianglehops4hope.org/breweries](http://www.trianglehops4hope.org/breweries).

CFOH will reimburse each brewery \$75 at the event to help cover the cost of supplies. Participating breweries will be featured on the event website and in marketing materials, and many teams drive business to their partner breweries by hosting events and meetings. Each "Choice" award winning team will receive a \$250 gift card from CFOH to the winning partner brewery!

Participating in H4H also provides the opportunity to align your business with a locally-based but nationally known nonprofit, Children's Flight of Hope, that is changing the lives of sick children. What could be better than that?
