## **Fifth Annual Hops for Hope Scheduled for Sept. 14 at North Hills**

### *Local Breweries and Corporate Teams Create Original Beer for Children's Flight of Hope*

Morrisville, N.C., (July 1, 2019) –Triangle Hops for Hope pairs 26 corporate teams from around the Triangle with 24 local breweries to create an original beer. Participants will showcase their creations to thousands of attendees at the epic beer competition on September 14 at Coastal Credit Union Midtown Park in North Hills from 2-6 p.m. This year's expanded event will include three bands on stage, food trucks, a vendor village, and an exciting flyover by the Bandit Flight Team. All proceeds from the event benefit Children's Flight of Hope (CFOH), a local 501(c)(3) nonprofit that provides air transportation for children across the country in need of medical care.

“It really is the best beer event of the year. Teams get to collaborate with great local breweries to produce something truly unique. Working with a brewery is the behind the scenes tour you always wanted. The crowd is always fun, and you'd be amazed at how much energy fills the place when they announce the winners and the fundraising totals,” said Frank Jackson of Vines Architecture, 2018 Team Captain and current Planning Committee member. In addition to creating beer, corporate teams plan and implement creative fundraisers during the summer months to compete for prizes and raise the most money for the nonprofit.

General admission tickets are on sale now at [www.trianglehops4hope.org](http://www.trianglehops4hope.org). The Early Bird price of \$25 in July includes unlimited tastings of the 26 unique beers and a wristband for re-entry. Price increases to \$30 in August and \$35 at the door. A limited number of VIP tickets are available for \$75 and include entry to Chuy's private patio with food, margaritas, covered seating, and re-entry. This event is presented by Dude Solutions, and iHeart Media Raleigh is the exclusive radio sponsor. Other corporate sponsors include Chiesi USA and Adwerx.
